Subject: Policy for Procurement of Vegetable seed and Fixation of sale price of BS/FS/CS/TL/PS of all Vegetable seeds to be utilized in Vegetable seed production.

In view of difficulties, various problems & procedural delays experienced in fixing procurement prices of vegetable seeds timely, it was felt necessary to adopt uniform procedures and practices on different aspects of procurement price finalisation. For this purpose, comprehensive uniform guidelines and policy is framed. A set of the Policy for procurement of Vegetable seed (Ann-1,1A&1B) and Fixation of sale price of BS/FS/C/S/TL/PS (Ann-2 & 2A) of all Vegetable seeds duly approved by NSC Board of Directors in 272 meeting held on 30-06-2017 is enclosed for information and compliance.

You are requested to circulate the same to the officers/offices working under your control. It may please be ensured that these approved Guidelines and Policy are followed mandatorily and complied with immediate effect.

(Kuldeep Singh)
Sr.G.M.(Prodn.)

Enclosed: Guidelines & Policy

Copy to:

- I. Sr.G.M.(F)/Sr.G.M.(HR)/Adl.G.M.(M)/D.G.M.(E)/C.S. /C.V.O./ Auditor NSC for information and necessary action.
- II. D.G.M. (IT) for placing the policy on NSC website.

Procurement Policy for Vegetable Seeds

Annexure- "1"

GENERAL TERMS AND CONDITIONS OF VEGETABLE SEED PRODUCTION

1	Vegetable seed crops like Cumin, Coriander and Fenugreek for which base price as per Annexure- 1A is not recommended in the policy, the average of highest APMC rate of specified period as per "Annexure 1B" will be applicable from seed production area duly downloaded from Agmarknet website and verified by RM. The quantity of arrival of concerned crops in the APMC should not be less than 10 qtls. The bonus on base price /APMC rates, shall be finalised on the basis of PP proposal by the Committee already mentioned.
2	The procurement price will be applicable for cleaned/ graded /packed seed meeting all standards as per Indian Minimum Seed Certification Standards, 2013 for Field Standards and Seed Standards. Seed should pass both in STL testing of State seed certification Agency and also QCL testing of NSC and this shall be mandatory. However in exceptional cases seed can be procured with passing in any one test i.e. STL or QCL only with prior written approval from Head Office.
3	Wherever exigency arises the committee consisting of Sr General Manager (Prodn.), Sr. General Manager (Mktg), Director (Comml), Director (Fin) and CMD may decide the procurement price other than the policy framework.
4	The seed production under SS/PS, registration, inspection/application fees, seed testing and agreement bond, etc. will be applicable at par with FS/CS charge.
5	Gunny Bags Rebate will be paid @ Rs.12/ per qtl. And gunny bags will be returned after final packing/ procurement to growers.
6	Transportation rebate will be paid on finally procured quantity with IDP Note payment @ 0 to 50 KM.- Rs.25/- per qtl., 51 to 100 KM- Rs.40/- per qtl. & 101 KM & above -Rs.50/- per qtl. The unloading charges at Seed Processing Plant will be borne by Seed Growers.
7	For seed growers belonging to SC/ST category, the certification charges will be borne by the Corporation subject to production of valid certificate from seed growers in this category. This will be applicable to all categories of farmers of North Eastern States.
8	Procurement price proposal should reach HO within 15 days from the last date of policy period.
9	In case of foundation seed production programme allotted not meeting F/S standard but meeting C/S standard in such cases seed can be procured as C/S subject to written request of seed growers and PP will be for C/S category. The discretion of procurement of such seeds will be with NSC. The seed lots recorded substandard in GOT will not be procured by NSC.
10	The seed growers have to lift empty gunny bags within 15 days from the date of written information. In case empty gunny bags are not lifted in scheduled time penalty of Rs.10/- per bag will be deducted from his payment and no gunny bag rebate will be paid to the grower. In this case no gunny bags will be returned to the growers after due date and corporation will be free to dispose off.
11	Minimum seed production area to be allotted to seed grower will be as per SSCA norms for crops covered under seed certification.
12	In any case RO/AO will not procure excess quantity without H.O. approval other than the

Manager-CP

	quantity allotted by H.O and estimated yield given by SSCA, whichever is lower. Breach of this may lead to disciplinary action.
13	The following seed growers will be black listed to ensure the targeted seed production, to maintain the seed quality. In future no seed production programme will be allotted to them.
	(a) Not providing the raw seed from the allotted NSC seed production programme.
	(b) Selling of seeds to others from NSC seed production programme.
	(c) Off type plants more than the standards and reporting substandard by QCL/ STL continuously twice.
14	RM may decide the procurement price Area office wise or state wise or region wise.
15	The Bonus on base price will be decided on the basis of prevailing market rate/ procurement rate paid by the other major seed companies as ascertained by a committee specified in Annexure 1A. In those crops where APMC rates are not available RM shall ensure that the Committee should survey the market within prescribed procurement period & send P.P. Proposal to HO for approval specified in Annexure- 1B.
16	Last date for acceptance of raw seed of FS/CS will be the cut-off date fixed by SSCA or 10 days from the cut-off date of sealing. In case of SS/PS cut-off date for acceptance of raw seed may also be kept at par with FS/CS.
17	For production of vegetable seeds other than those mentioned in the respective regions as Annexure- 1B, the time period for collection of APMC rate for fixing procurement price will be proposed by RO immediately within 15 days after receipt of production plan.
18	No RO Staff/ Area Manager/ Regional Manager have the power to commit the rates other than this policy either orally or in writing.
19	Procurement rate of Foundation seed shall be Rs 100/ qt. more than the C/S/T/L seed in all crops varieties except parents of Hybrid Vegetable seeds.
20	Chairman cum Managing Director (CMD) is authorised to revise the procurement policy/rate/ raw seed advance if so required to effect procurement, in case of shortage of production, change in market rate, availability etc.
21	Advance may be decided in crops like Cumin, Coriander and Fenugreek by RMs on 100% intake quantity @75% of Average of the highest APMC rates as per time period already mentioned Region wise and in Peas advance may decided by RMs on 100% intake quantity @75% of base price. Further upward and downward relaxation may also be done by RMs in case of above crops based on market conditions and ground level exigencies subject to the conditions that advance payment shall not exceed the procurement rate policy. Proper records to be maintained. Entire advance payment shall be recoverable/ adjustable Viz-a-viz final procurement rate fixed as per policy and equal responsibility lies on concerned Area Manager, In charge production of the Region & Regional Manager in case of non recovery of advance payment.

Manager CB

NATIONAL SEEDS CORPORATION LTD.
BOARD MEETING NO. 262

AGENDA ITEM NO.**A- SALE PRICE OF PARENTAL MATERIAL**

The procurement price policy of the Corporation was approved in the 262nd meeting of the Board held on 17/28.8.15. In the policy the sale price of the planting material was decided as under:-

Point No. 10

"Sale price of planting material to NSC seed growers will be circulated equivalent to subsidized sale(GSP)+ Rs. 25/- per qtl. for CS -I, Rs. 100/- per qtl. for FS and Rs. 250/- per qtls. for BS."

Point No. 11

"Sale price of planting material to organizers or private seed companies shall be none subsidized sale price of CS + 5% of CS-I and 10% for FS."

The Govt. of India has recently increased the subsidy for distribution under NMOOP from Rs. 1200/- to Rs. 2500/- and therefore, fixation of sale price of planting material on this basis is likely to have major financial implication on Corporation for which the present pricing policy needs to be reviewed taking into consideration of total cost incurred on production of planting material.

It is, therefore, proposed that the procurement price policy may be revised based on costing as:

Point No. 10 (R)

"Total direct cost + over heads + Rs. 25/- per qtl. for CS -I, Rs. 100/- per qtl. for FS and Rs. 250/- per qtls. for BS."

Point No. 11 (R)

"Total direct cost + over heads + 5% of CS-I and 10% for FS."

The components for computing the total direct cost would be as:

1	Procurement Price including prodn Subsidy (Expected)	
2	Processing expenses	
3	Packing Material	
4	Certification material	
5	Treatment Material	
6	Outer packing material	
7	Local Transport (on raw seed)	
8	Any other cost	
9	Total 'A' S. No. 1-8)	
10	Interest on "A"(S.No. 9) @ 11% for 6 months	
11	Production Centre cost (S.No. 9+10) =B	
12	(i) Average Transportation (for marketing centre)	Rs 75 per qtl
13	(ii) Storage (at Marketing centre) @ Rs.3/- per month per qtl. for six months	
14	Total direct cost (B+12+13) = C	
	Overheads & Returns (any one as applicable)	
	Cereals-	Rs. 75/q.:
	Oilseeds-Rs.600/q./Pulses- <10yr. Old	Rs.300/q.:
15	Oilseeds/Pulses >10yr. Old-	Rs.200/q.:
	Maize-	Rs.300/q.:
	Vegetables-	10% of B (Prodn. Cent. Cost).
	Fodder & Fibre-	2% of B (Prodn centre Cost)
16	Total Direct Cost (14+15)	

Handy
Manager CD

In case at any stage the cost of planting material is found high by RM, the Committee of SGM(P), SGM(M)/Directors with the approval of CMD may revise the sale price of planting material on the recommendation of RM.

Accordingly the Board may please pass the following resolution:-

"Resolved that the revision in fixation of sale price of planting material is hereby approved as per point no .10 (R) and point No 11 (R) duly repealing the existing policy stated at point No 10 and point No 11.

B- CHANGES IN POLOCY PERIOD

Time and again Regional Managers are requesting for the changes in the Crop-wise APMC Price Period for deciding Procurement rate due to several reasons like delayed sowing; early maturity of the crop due to climatic imbalances/ inclement weather besides sudden situational price hike of a particular commodity. For every such revision approaching to the Board is difficult. For such quick seasonal decisions for the changes in the policy period may be approved by the CMD.

Accordingly the Board may please pass the following resolution:-

"Resolved that the execution of powers by CMD for the revision in Crop-wise APMC Price Period for deciding Procurement rate is approved."
